INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Examiner:

This paper is filed in response to the telephone interview of February 4, 2010.

Examiners Carlton V. Johnson and Nasser Moazzami and Applicants' Representative Scott Thorpe held a telephone interview on February 4, 2010. We discussed the present invention and a proposed amendment. The Examiner indicated that the proposed amendment would not overcome the Ghosh and Kamada reference, and Applicants agreed to explore additional amendments.

Respectfully submitted,

/Brian C. Kunzler/
